

**St. Stephen's United Church, East Delta**  
**1<sup>st</sup> Sunday of Advent**  
**Dec 3, 2017**

---

This morning we welcome back Rev Sally McShane. She will be here for the next 2 Sundays.  
Rev Wendy Bily will lead our Christmas Eve service.

Thank you to Krista Harper for reading scripture and Ralph and Noretta Gough for lighting the first advent candle this morning.

Communion will be served during the service today.

Next Sunday Dec 12, we will be going over to Deltaview after the service to sing some favourite hymns with the residents. It is also the Sunday that we ask for donations of small gifts for the residents to receive on Christmas morning. Soaps, socks, candies, lotions are some suggestions. Please mark on the tag if it is for a man or woman, or for candy, if it is sugar free to be given to a diabetic resident.
