

Welcome to St. Stephen's United Church, East Delta

Welcome to Worship!

Oct 8, 2017

**As a courtesy to those who are sensitive, please refrain from wearing perfume or cologne during the worship service.*

Today we are very thankful that Rev Sally McShane is back to lead us in worship and celebration on this Thanksgiving Sunday. Sally will be back with us again next week.

This Sunday Holy Communion will be served.

Once again our sanctuary has been beautifully decorated by Paula Bence and Noretta Gough. We are very grateful for the gift of their time and talent again this year.

Thank you to Diane Harper for reading scripture this morning.

Next Sunday, being the 3rd Sunday of the month, there will be coffee and goodies after the service. If you are able, please bring some treats to share.
