RENTAL INFORMATION

A. RENTAL OF CHURCH AREAS

The rental contract for a space at Ladner United will specify what areas are to be rented and whether other rooms can be used during that rental (in general, only the spaces designated can be used). Other groups may have rented other spaces and it is important that these groups are not disturbed. If other spaces are used that have not been agreed-upon, the rental contract may be terminated.

Rentals at Ladner United need to include set up and clean up times. If more time is needed, this can be negotiated through the church office, if time is available. Unless other arrangements have been made, rental users are responsible for returning the rooms back to the condition that the room was found, including, but not limited to: stacking chairs, collapsing tables, moving tables and chairs to the storage room or against the wall, and putting all garbage in containers or removing it from the property if it is not contained in the available receptacles.
